

Here comes the 2021 Christmas greeting from us!

Easter celebration with the children's families was outdoors to reduce risk of infection. Each family was given their own table and egg for the egg-rolling.

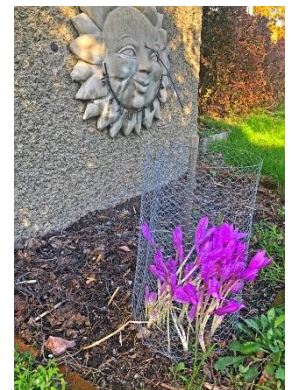

During the previous year, there was great interest in "Bag-in-motorhome". So, among other things, it became work in the workshop.

Two grandchildren passed their student exam.

When all summer plants die in autumn, our autumn crocus gets its flower. (In spring, they only have leaves.)

At the annual meeting with Nordic motorhome club, Tiiu won a bathrobe. Of course, she wanted a Nordic logowolf and the membership number on it.
