

Here comes Christmas greeting from us!

The years seem to be getting shorter and shorter! We've had a good year. There have been quite a few trips with the motorhome, although there have been more trips with the motorhome this year than last year.

In May there was an annual meeting for Nordic Motorhome Club in Vännäsby nearby Umeå.

The deers are frequent guests in our garden. This is from March.

As usual, the balcony was decorated for Easter.

The last years one wall per summer has been painted. This year the last wall was painted.

Tiiu checked that all was properly done.

In the beginning of October (as in previous years) we were, together with our friend Lena, in Österbybruk at the first Christmas market. We saw very good handicrafts.

Merry Christmas and **Happy New Year**
