

Here comes the Christmas greetings 2024 from us!

The first days of the year we got 1 meter of snow!

On 18 February it was a significant difference in temperature out- and indoor!

Tiius' brother Eero was born on 9/2. It has been a tradition since the 1960s to celebrate his birthday on the next Saturday until 9/2. Even though he passed away in 2006, we have continued to celebrate "Uncle Eero's party" every year.

During Easter, there was, as usual, egg rolling.

In June we had birthday party for Tiiu.

This year's house renovation was the windows facing south.

In May was the annual meeting with the Nordic Motorhome Club (NHBK).

In September it was the Elmia fair, where the members of NHBK as usual stood together.
