

Here comes the Christmas greetings 2025 from us!

14/1-25: Birds and deers find food in our garden.

Spring-flowers appeared 25/2!

Tiius brother, Eero, was born 9/2 (he died 2006). As usual (from 1960) we have celebrated his birthday nearest Saturday to 9/2.

Sonal and Sameer from India visited us in April. We visited them in India 1990 and in Oman 2013.

During 6/6 to 16/7 our roof was exchanged and we got batteries for loading electricity from our solar cells.

Meetings with Nordic mobile home club Tiiu found a place for smoking (the sign says smoking is not allowed). Nice to see a lot of mobile home friends.

In August we met some of our classmates from 1960 – 1963 in Uppsala.

Flower has tulip-like leaves in spring and has lovely flowers in September. Our solar watch is showing the actual time!

On 20/9 there was wedding of our grandchild Alva with Alfred.
